EnglishPro™ Middle School Edition takes children to the next level of language learning and builds a stronger foundation of English at a stage when children are ready to explore nuances of language. The program creates interest in learning through different teaching methods and varied content. The outcome is increased vocabulary, fluency in spoken English and enhanced confidence.

Benefits of EnglishPro™ Middle School

- Build fluency in contextual use of English language
- Develop confidence in social and classroom interaction
- Enhance listening, speaking, reading and writing skills as a natural outcome
